7. Matters arising

- a) Email from Debbie Grull re TEERA SMC advocating COVID vaccination to members - on agenda for October meeting - circulated to SMC for comment. Action:
- b) AERA MC meeting – agenda items?
- c) P/C from Donna Clark re rest order placed on her horse last ride. Mark → Just an FYI – Donna’s horse had a 12 week rest order placed on it at the Jolly Lette. She had the horse examined by Mark Buckerfield the following Monday and he deemed it fit to continue training and competing immediately. I forwarded the relevant documents to the Jolly Lette treatment vet, Colleen Stewart, and then discussed this with her. She agreed to lift the rest order on the basis of Mark’s advice. I amended AERAspace accordingly.
- d) EOIs for EA swabbing steward course?

8. End of year awards

Updates from Amelia, Kaye.

9. Finance:

- a. Motion that: *'the previously circulated finance report be noted, the payments therein authorised and the receipts noted'*. Moved, seconded:
- b. Payments to TEERA. Mark → there are often delays in banking cheques to the TEERA accounts from the membership and logbook registrars and the secretary. Should TEERA accept cheques or, in future, require all payments to TEERA to be made by direct deposit.

Motion: *'that members should be advised that from 1 January 2022 until further notice, all payments to TEERA from members and ride committees must be made by direct deposit into the TEERA accounts.'*

Moved, seconded:

10. State Champs

Agenda

- b. Harry Wever needed as line vet?

11. TEERA merchandise

Update from Kaye.

12. Ride documentation / due diligence

As everyone knows, the checks and balances required to safely and legally stage rides that meet the requirements of the TEERA insurers have ramped up in recent years with the need now for ROCs to develop formal risk management and biosecurity plans for each event as well as ensuring that the volunteer register is compiled and that all HHDs are provided.

It is the responsibility of the Chief Steward (??) to ensure that all relevant documentation is completed and stored.

While most clubs do all that is necessary, it is not know if all do.

Discussion:

Action: Mark to write to all ROCs (cc chief stewards) highlighting the need for this to be done.

13. 2022 Calendar

- a) Further nominations have been received and/or confirmed since the last SMC meeting.
- b) Black Bluff has confirmed it will not be staging a ride in 2022.
- c) Green highlighting – gaps to be filled
- d) Mark took a phone call from a member of a community committee in Miena, John Cox. Miena looking to stage an 'adventure weekend' in March 2022. Email, with more info foreshadowed. He says there are lots of potential tracks that could be used for a ride. Looking at Google maps, there appears to be space for a ride base paddock to be set up at the Great Lakes Hotel.

17. TEERA Hall of fame

Some DAs have a section on their websites to feature their historical heroes.

The principle here is that our heroes will one day be forgotten unless we do something to immortalise them. The TEERA 'Honours' website page lists life members but contains no information about them.

Motion: 'That work be commenced to update the TEERA Honours page with linked information about the life members on it.' Moved, seconded: Mark Dunn, Amelia Napier, Carried.

Action from July meeting: Amelia Napier to progress

Action from September meeting: Tony Purton and Kaye Mitchell have agreed to assist Amelia with this.

Update from Kaye / Tony / Amelia.

Claude Fileul text to be uploaded to website?

'Claude Filleul

Claude was founding member of TEERA. In 1975 a group, which included Claude, Don Fraser, Doug Lockhart, Max Denney and Pat Hodgetts (there may have been others), held a meeting at Deloraine and established a committee. The first ride was held at Sprent in conjunction with the school fair. Claude and Edna also hosted rides at their farm at Ridgley and Claude served on the management committees of both TEERA and AERA.

Claude's riding career began when he was around 23. Gordan Williams and George Gaffney taught Claude to ride and his first horse, Joe, came from Gordan Williams. He trail rode extensively and was a member of the North West Hunt Club. Claude's life revolved around horses and later, endurance.

He particularly loved 100 milers, and the challenges posed by rides such as the 100 miler that went up through Lake McKenzie. He achieved his first Quilty buckle in 1988, in Queensland, and played a key part in track marking for the 1993 Sheffield Quilty. Other highlights in Claude's riding career include success in two of the three Shahzada's he attempted and his 1989 successful completion at the Tevis Cup in the United States. Amongst the horses he rode, Moonshine and Worrandi Marissa were a couple of his favourites. All the while, Claude was supported by strapper and cook, Edna.'
