

## DAY RIDERS (aka Day Members)

To enter a ride a non-member will need to:

1. Complete a [Day Membership application form](#) – primarily the waiver signed by full members. This form can be downloaded and completed in advance (preferable) or at the ride.
2. Complete the on-line Ride Entry (preferred), or enter by phone.
3. Present at the ride with the completed form and the ‘Day membership’ fee, in addition to the ROC’s ride fee, as cash or cheque.

The fee is currently \$20 for all Day Riders, adult and junior. The \$20 will not be redeemable against later full membership

The \$20 will cover the necessary public liability insurance and contribute to the significant overheads incurred by TEERA, as do full members through their annual payment.

### **JUNIOR “DAY MEMBERS”**

The Dangerous Activity Acknowledgment & Waiver on the Day Membership application form must also be signed by your Parent or Guardian.

The Parent/Guardian Declaration on the Ride Entry form must also be signed by your Parent or Guardian.

OR

If your Parent/Guardian will not be at the ride you must download and have them complete [AERA Form 36 - Junior Rider Parent/Guardian Declaration](#). This will replace the Declaration on the Ride Entry form.
